

Brewing America

We're not leaving others to judge the top beers from the 50 states for us but found this link to be of great service; it's from FirstWeFeast.com;

[The United States of Beer-Best Brews from 50 States](#) and they even posted new [breweries to watch in](#)

2013 too! We will be adding our own selection of favorites and are working on a map of the states to pin to.

Top Craft Breweries In America: Brewers Association Names 50 Best-Selling Companies

[The Huffington Post Top 50 Craft beers in 2012 Review](#)

For listings we've added in different states follow the page link from Food For Thought-Craft Beer-Brewing America-click on different states to view a map of some of our listings. Don't worry we plan to add a lot more!
