

Chick Brooder

The only rooster we have

Ideal Poultry is where we bought 16 heritage breeds chicks from!

Day 1

Just a few hours old

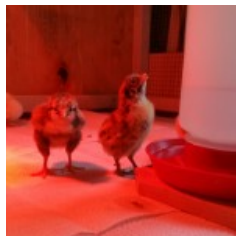

4 ft x 3 ft brooder box that Davin made.

First night. Newspaper is too slick for chicks. Use papertowels instead to prevent splayed

Papertowels allow the chicks to walk and not slip.

Learning how to drink water

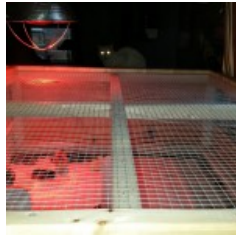

Eating organic chick feed from Coyote Creek

Oh so cute!

leg.

Sturdy
enough
for cats
to jump
on

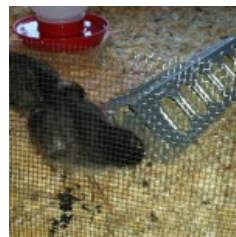

Untreated
plywood
and a
250 watt
red heat
lamp was
hung
very
high to
keep the
temperat
ures
appropri
ate.
